CUSHOTRAC® MAXXimum™

**The Fastest Turn-Around, All Purpose,
American Made, Bolt-To-Link Track Pad - Ever.**

- **Maximum Strength** – Premium U.S. produced ductile casting with optimized geometrical design to eliminate bending & breaking
- **Maximum Durability** – Highest performance rubber compound for excellent abrasion & wear characteristics
- **Metal to Metal Contact** – Custom bolt holes drilled down to the metal creating a rigid metal to metal contact that prevents slippage
- **Available for All Makes & Models**

The CUSHOTRAC® MAXXimum™ Track Pad bolts directly to the chain creating a perfect fit.

Applications:

Cushotrac® MAXXimum™ track pads are used in various applications when surface protection is required or recommended.

100% Work-life Guarantee*

All Cushotrac® Track Pads are backed by an industry leading 100% Work-life Guarantee*, providing customers with more savings & quality products.
