

Friction Drive Kits

For Maximum Blaw-Knox Track Life

Downtime Is Not An Option...

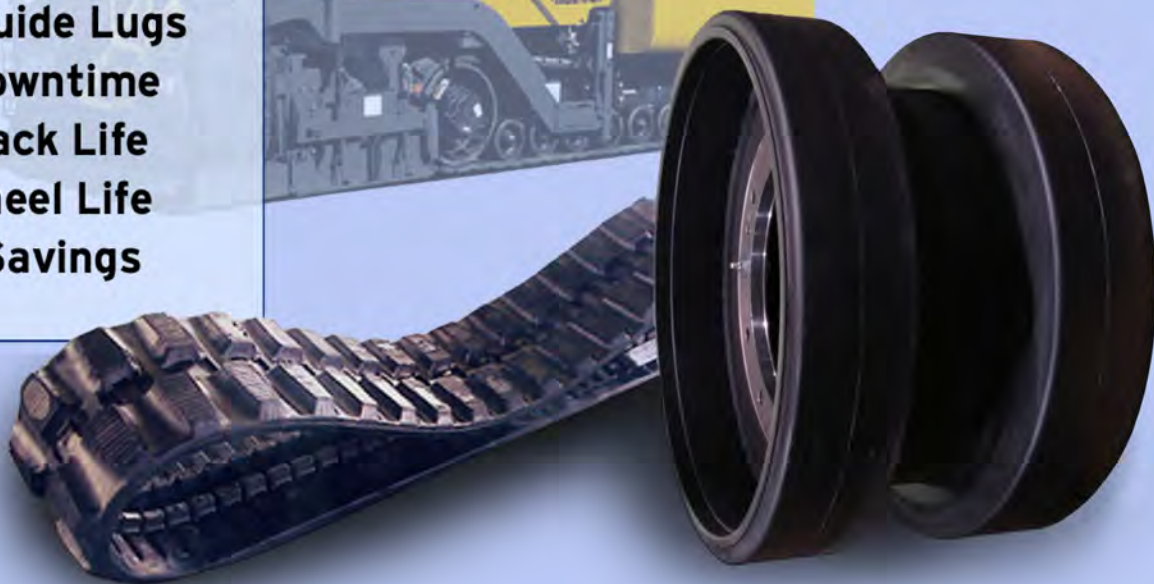

The Superior Friction Drive

If you have an old Positive Drive on your Blaw-Knox PF-5510, chances are you're replacing your rubber tracks and wheels often. Superior's Friction Drive Conversion Kit allows Blaw-Knox owners extended track and wheel life at price they can afford. The conversion is simple, the savings are relieving, and the performance is always Superior.

Friction Drives

- Increase Your Performance
- Protect Your Guide Lugs
- Reduce Your Downtime
- Double Your Track Life
- Double Your Wheel Life
- Increase Your Savings
