

AgriTraxx® AirCore™ Polyurethane Gauge Tire

3 Year Wear-Life Guarantee

TERMS OF WARRANTY:

Superior Tire & Rubber Corp's 3 Year Wear-Life Guarantee on the AgriTraxx® AirCore™ Polyurethane Gauge Tires is specific to the wear-life of the OD (overall diameter) and "lip" of the tire only.

For all 3 Year Warranty claims, Superior Tire & Rubber Corp. will conduct a full examination of the gauge tire(s) being claimed. OD wear as defined by abrasive wear through the surface of the tire, not including punctures from sharp objects or slices from impacting objects. Lip wear as defined by 7/32" of maximum wear from the face of the lip that contacts the disk from original. If Superior Tire & Rubber Corp's examination shows that a AgriTraxx® AirCore™ tire has worn beyond the terms of this policy, Superior Tire & Rubber Corp. will replace or make a reasonable allowance on the purchase of a new gauge tire. Cost of service, transportation, and sales tax will be the responsibility of the claimant. Superior Tire & Rubber Corp. will not warrant AgriTraxx® AirCore™ gauge tires that are subjected to misapplication, misuse, neglect, or alteration that results in premature wear, chunking, chipping, or tearing and are hereby not responsible for personal injury, equipment damage, or property damage associated with misuse of normal operating procedures.

TERMS OF WARRANTY REGISTRATION:

To make a claim, product registration must be completed online at www.SuperiorTire.com within 30 days of the receipt of the product. Without proper product registration, within the 30 day time period, the 3 Year Warranty is void and normal warranty limits apply. Normal warranty limits are defined under Superior Tire & Rubber Corp.'s "1 Year Full Manufacturer's Guarantee".
