## GET A QUOTE IN 15 MINS OR LESS\*

Simply scan the code with your phone,  
leave us your contact info and tell us  
the make and model of your machine!

\*During standard business hours, excluding holidays, Monday - Friday, 8am - 5pm

**Lowest Life-Cycle Cost**  
proprietary polyurethane  
that provides the highest  
abrasion, cut, and tear  
resistance.

**Enormous Footprint**  
provides more traction  
in all milling conditions,  
putting your horsepower  
to the ground.

**"SOS"**  
The steel of the pad  
is in direct contact  
with the steel shoe  
**Steel On Steel™ "SOS"**  
**Technology** eliminates  
loosening, premature  
pad failure, and keeps  
bolts from spinning.

## THE ONLY TRACK PAD WITH A 2,000 OR 3,000 HOUR WEAR-LIFE GUARANTEE!\*\*

Register in less than a minute; we keep track of the hours for you, call anytime  
for the information. Upon replacement, we compare the hours together live. If  
2,000 or 3,000 hrs. is not the result, we give you a credit towards the next set.  
No computer access? Registration is now mobile friendly.

1. Install your CUSHOTRAC® ULTIMATE™ Track Pads
2. Go online to [www.superiortire.com](http://www.superiortire.com) and click on "Warranty  
Registration" tab on the CUSHOTRAC® ULTIMATE™ product page
3. Fill out the required information and submit

A warranty card is included with your packing slip. For registration assistance,  
contact your Superior Tire & Rubber representative.

“ We bought the CUSHOTRAC® ULTIMATE™ track pad system for our  
W2200 in October of 2010. Almost three years later, I still haven't had  
to replace them. They have at least 3300 operating hours on already  
and by the looks of them, I don't expect I'll need to worry about  
the upcoming rebuild season, either. Just a great pad for milling. ”

— Jim H., Milling Contractor | Green Bay, WI
