CUSHOTHANE® XL-AC™

The Cushothane® XL-AC™ is designed for narrow-isle distribution applications where long runs and heavy loads are the name of the game. Our proprietary compound reduces the heat buildup in the tire that is generated by long runs with empty loads which delivers superior performance in high cycle applications.

RECOMMENDED FOR: 

HIGH LOAD CAPACITY

ENERGY EFFICIENCY

LONG RUNS & HIGH SPEED

NO BOND SEPARATION GUARANTEE

24/7/365 NON-STOP

COLD TEMP.

ROUGH FLOORS

EXTENDED WEAR-LIFE

ABUSIVE SETTING

OPERATOR COMFORT

GENERAL USAGE

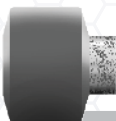

THE SOLUTION FOR:

MELTDOWN

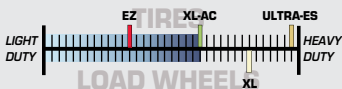

OVERLOADING

BOND SEPARATION

PERFORMANCE:
