CUSHOTRAC® ULTIMATE™

The ONLY Track Pad with a
2,000 or 3,000 Hour Wear-life Guarantee*

"SOS" - Steel of the pad is in direct contact with the steel shoe.

Lowest Life-Cycle Cost - From proprietary polyurethane that provides the highest abrasion, cut & tear resistance.

Enormous Footprint - Provides more traction in all milling conditions, putting your horsepower to the ground.

Steel On Steel™ "SOS" Technology - Critical design element that eliminates loosening and premature pad failure as well as keeps bolts from spinning.

Every Contractor Knows...

A longer lasting pad means more uninterrupted productivity, and more productivity means more money in your pocket. With the CUSHOTRAC® ULTIMATE™ Track Pad, you will get the lowest life-cycle cost per hour from the included 2,000 or upgradeable 3,000 hour wear-life guarantee*. Moreover, the CUSHOTRAC® ULTIMATE™ can be bolted up with existing drilled grouser shoes available in the market.

*Refer to terms and conditions at www.SuperiorTire.com

You are covered, and we mean it!

Once you receive your CUSHOTRAC® ULTIMATE™ Track Pads, simply complete Superior Tire & Rubber Corp.'s easy 5 minute web registration and we will track the hours for you. Unlike other Company's empty promises, if you're not getting 2,000 hrs or 3,000 hrs - you're covered.

1. Install your CUSHOTRAC® ULTIMATE™ Track Pads
2. Go online to www.superiortire.com/Track_Pads and find the "Ultimate Pad Registration - Click Here" tab
3. Fill out the required information and submit

A CUSHOTRAC® ULTIMATE™ Track Pad Warranty Card is included with the Packing Slip. For registration assistance, contact your Superior Tire & Rubber Corp. representative.

Customer Reviews

"We bought the CUSHOTRAC® ULTIMATE™ track pad system for our W2200 in October of 2010. Almost three years later, I still haven't had to replace them. They have at least 3300 operating hours on already and by the looks of them, I don't expect I'll need to worry about the upcoming rebuild season, either. Just a great pad for milling."

- Jim H., Milling Contractor - Green Bay, WI
